

**All Purpose Series 50-100T**

TOWABLE MACHINERY CARTS

DymaxRail Machinery Carts are purpose-built for transporting large cranes, cement trucks, excavators, dozers and other heavy equipment to remote locations. Available in 6-ton, 20-ton, 40-ton, and up to 100-ton capacities, these carts provide unmatched reliability for bridge maintenance, infrastructure projects and rail construction.

Available in the following configurations:

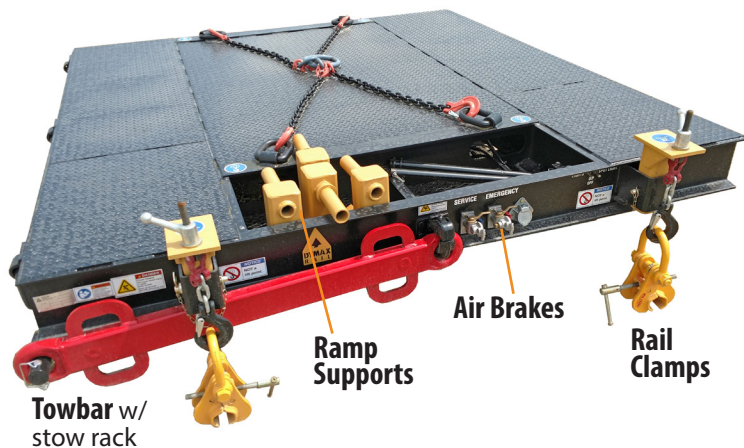

- **Excavator Series:** Optimized for transporting tracked excavators.
- **All Purpose Series:** Designed to accommodate both wheeled and tracked machinery.

Key Features and Benefits:

- **High-Strength Frame & Deck:** Reinforced steel frame with Apitong hardwood and grip bars for superior durability.
- **Advanced Railgear:** DymaxRail high performance railgear with specialized bogie design for smooth curve navigation on larger models.
- **Air Brake System:** Designed for seamless integration with hi-rail trucks and railcar movers.
- **Secure Tie Downs & Lift Points:** Strategically placed anchoring points for safe transport and easy placement.
- **Solar-Powered LED Lighting:** Red/white directional change lighting with high-intensity LED spot lamps for enhanced visibility.
- **Heavy-Duty Ramps & Stabilizers:**
 - **Excavator Series:** Welded ramp; 6-ton models feature removable car-hauler-style ramps.
 - **All Purpose Series:** Hydraulic ramps with rail clearance pockets for smooth loading.
- **Hydraulic Power Unit:** Integrated system for operating ramps and stabilizers.

EXCAVATOR SERIES TOW CART - 06 TON

Easily removable ramps conveniently stow within the trailer frame for secure storage and quick access.

EXCAVATOR SERIES TOW CART - 40 TON

Directional Lighting
Main power switches

Fixed Ramps
Heavy duty ramps with grouser grab bars

4 Hydraulic Stabilizers
Stability Enhanced
